PRESIDENTS CORNER

SES is adding new areas of interest. We are actively seeking multi-rotor flyers and their input to see what facility additions we can make that would be fun for our "drone" flyers.

AMA requires a spotter with FPV operations but that is the only requirement we are making. If you are a racer, videographer, or just like to buzz around, let us know what you would like to see added at SES.

SES President: Frank Mintz

FLY BEFORE YOU BUY

**Check out the SES web page for more info
and great club information.**

"WHO'S THE HIGH FLYER"

Each month there will be a question for you to find the answer. The first person to answer the question will have their name in the SES News Letter and posted on the Info board at the field. At the last 2023 club meeting, the person with the most name posted will win a PRIZE.

Send your answer to: lross04@bellsouth.net

Oct. question: What is NOT one of the four aerodynamic forces?

LIFT PRESSURE THRUST WEIGHT DRAG

Ans: PRESSURE, winner is Richard Smith - congratulations

NOV SES Question:

In the Oct. SES News Letter, find the word that also describes whats on the back of a 1/4 of a dollar bill and on our SES logo.

FIELD SECURITY

IF YOU ARE THE LAST PERSON TO LEAVE THE FIELD- PLEASE MAKE SURE THE GATE TO THE SES FIELD IS CLOSED AND THE COMBINATION ON THE LOCK IS ROTATED NOT SHOWING THE ENTRANCE CODE ON THE LOCK. ALSO IF AT ANYTIME YOU ARRIVE AND THE GATE IS OPEN AND THERE IS NO ONE FLYING, PLEASE CONTACT FRANK MINTZ OR BILL CERMAC.
