## 30 DAY PASS

Southern Eagle Squadron offers a \$50, 30-Day Pass for AMA members to enjoy the use of the field while visiting the area. If you decide to join the club that calendar year, the \$50 can then be credited as the "Initiation Fee" when joining as a Full member.

### **Up-coming Events:**

**Nothing to report, therefore if you have any ideals or suggestions for our 2023 events, contact Bill Cermak or Larry Ross.**

Calling all SES float plane owners. Do you wish you had a private lake and a pier to fly from? Well now you do!

Our new member Tad Johnson has offered to host a Float fly-in at his home on Little Lake Weir just 11 miles from the field. The tentative date is early in March so you have time to get a plane ready and those floats in place.

Tad will be announcing the event and discussing the details at the February meeting so come out and hear all about it.

## PRESIDENTS CORNER

"I am proud of the membership here at Southern Eagle Squadron. Whenever you are asked to help, volunteers jump up and "get-er-done!" What is lacking is volunteer leaders to organize events and projects. The "Esprit de Corps" among the members will make any effort successful once you make your idea known. If you are willing to lead an effort or project and have never put that idea forward, I encourage you to do so. You will be amazed with the support you will receive from the club. "

## FLY BEFORE YOU BUY
