Volunteer organizations like SES exist because of a common passion, in our case it is model aviation and is shared by all of us. There is commitment required beyond the payment of individual dues. Individuals who see a need and respond by organizing members to complete maintenance tasks or run events are critical to the continued success of the club. Some notable examples are Joe Hudacky who ensures the teams cut the grass, the facility is maintained and mowers are serviced: Bob Smith who, in addition to his significant Membership Chairmen duties, completes the 3-4 hours of weed trimming every week: Larry Ross who edits and produces your SES Newsletter every month: Mark Carey, our Treasurer, who also is our webmaster and critical to club growth: Greg De Santis, our newest volunteer, who is coordinating the SES Swap meet and is already leading the planning for this annual November event. If you run into any of them at the field, take a moment to thank them and ask them how you can help.

From the editor, any suggestion are welcome to enhance YOUR SES News Letter. You have something to sell (RC related only please) is welcome. If you go to a RC event, let the club know the details to enjoy as you did (or maybe not - LOL).

HAVE A SAFE AND WONDERFUL SUMMER. SAVE YOUR SUMMER EXPERIENCE'S FOR THE SES NEWS LETTER.

FIELD SECURITY

IF YOU ARE THE LAST PERSON TO LEAVE THE FIELD PLEASE MAKE SURE THE GATE TO THE SES FIELD IS CLOSED AND THE COMBINATION ON THE LOCK IS ROTATED NOT SHOWING THE ENTRANCE CODE ON THE LOCK. ALSO IF AT ANYTIME YOU ARRIVE AND THE GATE IS OPEN AND THERE IS NO ONE FLYING, PLEASE CONTACT FRANK MINTZ OR BILL CERMAK.

SES NEWS LETTER

SOUTHERN EAGLE SQUADRON R/C CLUB

Pilot Safety Briefing

Required for all new Pilots, New Members and all club members.
These safety rules and procedures established by our club and AMA are for everyone's safety

All pilots must display a Visible Club ID while on the flight line.

Pilots on the flight line must be in a flying station for their safety

Pilots must announce takeoff and landing and communicate with others pilots on the flight line

Pilots must fly in the direction of the active indicator

Taxiing of aircraft in the pit area is STRICKLY forbidden

No flying over restricted areas or no-fly zones

No flying at anytime when the county is cutting the grass

Pilots must fly within the field boundaries

All aircraft must have AMA and owner's information displayed on or in the aircraft

No more than FIVE aircraft permitted in the air at the same time

Notice: on every thing you fly, make sure your Name, Phone # and AMA # is displayed
